HP EliteBook 8470p Notebook PC

Corporate Elite. Optimized for Genuine Windows® 7 Professional, this premier notebook offers a 35,6 cm (14") diagonal display and amazing battery life. The business rugged design, graphics choices[1], powerful processing and smooth audio quality are sure to impress.

HP recommends Windows® 7.

Built for travel.

The HP EliteBook 8470p blends modern design and precision engineering, yielding a beautiful product with a platinum color finish.
The business rugged design means this laptop can withstand the rigors of business travel. Additionally, the HP EliteBook 8470p passes rigorous MIL-STD 810G testing for vibration, dust, altitude, temperature and drops[2].
Take it with you. With a 35,6 cm (14") diagonal HD[3] display and a starting weight of only 2.07 kg (4.56 lb), you can easily take this notebook to meetings down the hall or around the world.

Amazing battery life.

Business often lasts more than eight hours. Luckily, so does the HP EliteBook 8470p. Gain amazing battery life of up to 9.15[4] hours so your PC can run as long as a full work day.
Combine the HP Ultra Extended Life Notebook Battery[1] with the 9-cell primary battery on a properly configured HP EliteBook 8470p for up to 24 hours and 15 minutes[5] of computing on a single charge — a road warrior's dream.
Various primary and secondary battery options allow you to choose between the lightest weight and the longest battery run time.

Overachiever.

Choose between UMA or performance discrete graphics[1] to create impactful visuals that'll impress the boss and co-workers. Plug into additional monitors for a total of four displays to gain an immersive graphics and computing experience with AMD Eyefinity technology[6].
Featuring the new 3rd generation Intel® Core™ processors with vPro™ Technology[3],[7] that help reduce IT maintenance costs by enabling remote configuration, diagnosis, isolation and repair of infected PCs.
When your workload ramps up, your PC keeps up with added processor performance, thanks to Intel Turbo Boost Technology 2.0[7].
Engage in video conferences, web-based trainings[9] or streaming videos with smooth audio quality that'll surprise you coming from a notebook. SRS Premium Sound PRO also allows you to share crisp, powerful sound directly from your notebook. Forget the extra speakers during your presentations.

[1] Sold separately or as an optional feature.

[2] Testing was not intended to demonstrate fitness for DOD contracts requirements or for military use. Test results are not a guarantee of future performance under these test conditions.

[3] HD content required to view HD images.

[4] Battery life will vary depending on the model, configuration, applications, features, use, wireless functionality and power settings. The maximum capacity of the battery will naturally decrease with time and usage. For details see www.bapco.com /products/mobilemark2007.

[5] Up to 36 hours requires HP 9-cell (100 WHr) Li-Ion primary battery, separately purchased HP BB09 Ultra Extended Life Notebook Battery and customer download of the latest Intel graphics driver and HP BIOS. Notebook must be configured with Intel graphics, optional Intel 160GB SSD drive, HP LED HD Display and requires Windows 7 operating system. Battery life will vary depending on the product model, configuration, loaded applications, features, wireless functionality and power management settings. The maximum capacity of the battery will decrease with time and usage.

[6] AMD Eyefinity Technology requires AMD discrete graphics configuration. Total number of screens supported varies by model. HP EliteBook 8470p supports up to four screens.

[7] Some functionality of this technology, such as Intel® Active management technology and Intel Virtualization technology, requires additional 3rd party software in order to run. Availability of future "virtual appliances" applications for Intel vPro technology is dependent on 3rd party software providers. Microsoft Windows required.

[8] Intel® Turbo Boost technology requires a PC with a processor with Intel Turbo Boost capability. Intel Turbo Boost performance varies depending on hardware, software and overall system configuration.

[9] Internet access required.
